

To: all parents/carers

27 November 2020

Dear Parent/Carer

Following a tough year for all we have decided at Taverham High School to try and bring a little festive spirit and cheer to the school.

The pastoral team are working hard at trying to inject some Christmas fun into their bubbles whilst working within the current restrictions.

As part of this we will be allowing students (and staff) throughout the month of December to come to school wearing their Christmas jumpers.

This is not compulsory but hopefully will bring a little cheer for the remainder of the term.

Yours faithfully

Ms R Ricketts
Deputy Headteacher
