March 2021

Dear Parents/Carers

Non-Uniform Day – Friday 19 March 2021

The Sixth Form Council is keen to continue with their annual Raising and Giving event in March 2021. The current climate prevents the usual whole school events that take place which we are hugely disappointed by as they bring the school together for a single cause.

We have thought carefully about how we can raise money for our chosen charity but ensure students remain safe. The Sixth Form Council would like students on Friday 19 March to wear non-school uniform for Parkinson's UK. They are the national charity helping to fund ground-breaking research and life-changing services for people with Parkinson's.

We are asking students for a £1 donation for the privilege of wearing their own clothes for the day and ask that this be brought in and placed in the collection buckets on Friday 19 March.

If your child has physical education timetabled this day, please can they wear appropriate clothing that will enable them to participate safely so this does not affect their engagement. This includes appropriate footwear.

Yours faithfully

Mr S Blowers
School Council Co-ordinator
