10 November 2020

Dear Parent/Carer

Parents' Forum – Wednesday 11 November 2020

I am sorry that we had to delay the Parents' Forum last week due to some technical problems with our website. I am now writing to inform you that we will be holding the virtual Parents' Forum on Wednesday 11 November 2020. The presentations will focus on: 'revision and supporting your child prepare for GCSEs.'

You are invited to view the pre-recorded presentations at any time and these can be accessed by using the link below or viewing on our website at parents – parents' forum from 5:30 pm on Wednesday onwards:

<https://www.taverhamhigh.norfolk.sch.uk/parents/parent-forum>

We will be providing the following presentations:-

How to revise in the Sixth Form

Mr Linnell outlines why regular low stakes revision throughout the academic year is the best approach to embed learning into students minds and getting the best outcomes for students in their final examinations.

https://youtu.be/883c-s_acyo

Mathematics revision

The PowerPoint presentation which can be found using the website link above will help support your child prepare for their mathematics mock exams.

English revision

This presentation will help support your child prepare for their English mock exams.

I do hope that you find these presentations helpful.

With best wishes

**Ms C Dallas
Headteacher**
