Headteacher: Ms Carol Dallas

January 2021

Dear Parent/Carer

As with many things in the past few months, at Taverham High School we had to postpone our annual 'Community Craft and Christmas Songs Evening' where we showcase the talents of local makers and businesses. Instead, we are excited to offer a virtual fayre in time for Valentine's and Mother's Day where you will be able to browse many crafters from the area through an online brochure and pick up some amazing and personal gifts whilst helping local small businesses. The crafts included are:

- Jewellery
- Stationery
- Cupcakes
- Art
- Handmade flowers
- Personalised keepsakes
- Vinyl decals & labels
- Scented items
- Homeware
- Designer glassware
- Many other unique crafts

With price points from £1.00 and upwards there will be something here for everyone.

Below is a link which will take you to the online brochure on the school website which itself has links to all our crafters so you can start shopping straight away.

If anyone would like to be included as a stall holder at our next fayre, please feel free to contact me at school.

We hope you like the offerings and enjoy your shopping experience.
