## RAGFEST 2022

In March, Sixth Form Student Leaders organised our annual RAGFEST charity appeal week on behalf of their chosen charity of Diabetes UK. The week was a huge success and involved the whole school in events from escape rooms to sweet stalls, from bake-off to robotic sales. In total **£3874** was raised. Thank you to the Student Leaders for organising and all students in the school for participating, a really great community effort.
