Taverham is an excellent, 11-18 school with a caring, positive ethos, we seek to promote the development of students into resilient, independent young people, who are respectful and make a positive contribution to the wider community and beyond. The school was substantially redeveloped under the PFI in 2007 and we became an academy in April 2013; our facilities are first-class. We pride ourselves on the professional development we offer our staff. In May 2023, the school was awarded a 'Good' outcome from a full Ofsted inspection and our results in Summer 2023 were the best the school has ever achieved.

We are looking for a talented and enthusiastic professional to join our Social Sciences faculty on a full -time basis. The successful candidate will ideally teach Philosophy and Ethics from KS3-5 and Sociology at KS5. If you have initiative, enthusiasm for learning, good educational qualifications and some experience in working with young people, we would like to meet you. If you are unsure whether your skillset or experience might meet the needs of the department, please don't hesitate to contact the school to discuss the role.

Our school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The appointment is subject to regulatory checks including an enhanced-level DBS check. We are an equal opportunities employer.
