Headteacher: Dr Roger Harris

Teacher of Science

Required: January 2024

Full time, maternity cover

MPS/UPS

Taverham High School is a popular and successful 11-18 academy on the outskirts of Norwich. The school was substantially redeveloped under the PFI in 2007 and we became an academy in April 2013; our facilities are first-class.

We seek to promote the development of students into resilient, independent young people, who are respectful and make a positive contribution to the wider community and beyond. We pride ourselves on the professional development we offer our staff.

We are looking for a talented and enthusiastic professional to join our successful and well-established Science department. The successful candidate will teach Science to KS3 and KS4 (GCSE, including Separate Science) and would be able to offer Chemistry, Physics or Biology at A-level. If you have initiative, enthusiasm for learning, good educational qualifications and experience in working with young people, we would like to meet you. The ideal candidate will have experience of teaching to KS5 and have confidence in teaching a broad range of ability.

Our school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The appointment is subject to regulatory checks including an enhanced-level DBS check. We are an equal opportunities employer.

To receive an application pack either:

- visit the school website;
- for more specific information on the post please contact Gareth Yassin, Head of School at g.yassin@taverhamhigh.org.

Informal visits to the academy prior to interview can be arranged.

Closing date for applications: Monday 13 November 2023 at 9.00 am
Please return applications to c_ross@taverhamhigh.org

Interview date: w/c 20 November 2023
