Taverham is an excellent, 11-18 school with a caring, positive ethos, we seek to promote the development of students into resilient, independent young people, who are respectful and make a positive contribution to the wider community and beyond. The school was substantially redeveloped in 2007 and we became an academy in April 2013; our facilities are first-class. In May 2023, the school was recognised as 'good' in all categories by Ofsted and in the Summer of 2023 we achieved our best ever results, with our attainment in English and Maths among the highest in the county.

We are looking for an inspiring and engaging professional to teach English (and potentially Media Studies) as part of our dynamic and creative English Faculty.

The ideal candidate will have experience of teaching English to KS4 and will be able to offer English Language and/or Literature to KS5 or Media Studies to KS5 and be driven to promote our values of high expectations.

We pride ourselves on the professional development we offer our staff.
