Taverham is an excellent, 11-18 school with a caring, positive ethos, we seek to promote the development of students into resilient, independent young people, who are respectful and make a positive contribution to the wider community and beyond. The school was substantially redeveloped in 2007 and we became an academy in April 2013; our facilities are first-class. In May 2023, the school was recognised as 'good' in all categories by Ofsted and in the Summer of 2023, we achieved our best ever results, with our attainment in English and Maths among the highest in the county.

We are looking for an inspiring and engaging professional to teach Chinese Mandarin as part of our dynamic and creative modern foreign languages department.

The ideal candidate will have experience of teaching Mandarin to KS3 and KS4 and will be driven to promote our values of high expectations.

We pride ourselves on the professional development we offer our staff.

Our school is committed to safeguarding and promoting the welfare of children and young people. The appointment is subject to regulatory checks including an enhanced-level DBS check. We are an equal opportunities employer.
