- To contribute to the implementation of school policies on raising of achievement and monitoring student progress.
- To ensure effective liaison with local primary schools and FE establishments on matters pertaining to the subject.
- To lead with the HOF and SL on the development of appropriate syllabuses, resources, schemes of work, marking policies, assessment and teaching and learning strategies in the subject.
- To support the HOF and SL in monitoring and evaluating the quality of teaching and learning in the subject.
- To work with other members of staff, the SENCO and associate staff to ensure the effective delivery of a suitably differentiated curriculum to all learners to ensure needs are met.
- To be responsible for the implementation and evaluation of behaviour management in the department, to promote behaviours for learning and to celebrate students success
- To develop parental/carers engagement such as providing parents with appropriate information about course content and, in conjunction with HoY, deal with any problems and queries.
- To ensure effective communication/consultation with all members of the school community including staff, parents and students
- To represent the subject at the faculty meetings as required.

Staffing

- To ensure the continuous development of an effective and meaningful curriculum for all classes of an absent member of the subject.
- To support the HOF and SL in reviewing all staff performance and audit training needs as required. To ensure rigorous self-evaluation of the subject which leads to well targeted support for colleagues to promote professional development
- To advise on job specifications and subject staffing and to assist in shortlisting and interviews
- To convene regular subject meetings with a clear and open agenda, effectively minuted with a focus on teaching and learning

Quality Assurance

- To implement and monitor procedures for assessing, recording and reporting student achievement within the subject, linking data gathered to challenging target setting and effective interventions.
- To interpret and use national, local and school-level performance data to help raise achievement and measure performance.
- To report regularly to the Head of Faculty as required on all aspects of academic progress in the subject.
- To lead the development, implementation and monitoring of subject plans and targets.
- To ensure that the day to day management, control and operation of course provision within the subject, including effective deployment of staff and physical resources is carefully lead and managed to ensure value for money.

Management of Resources

- To review and monitor the department budgets with the SL to ensure value for money, the effective deployment of learning resources within the Department (including staff and finances) and that school financial policies and procedures are followed.
- To undertake all Health and Safety responsibilities including risk assessments, ensuring they are in line with national requirements.

Other Specific Areas of Responsibility

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified. This list is not intended to be exhaustive and responsibilities may vary depending on the priorities of the department.

Tasks may vary from time to time without changing the general character of the tasks or the level of responsibility entailed. Such variations are a common occurrence and cannot of themselves justify a re-grading of the post.

Staff will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

All staff, regardless of level or position, have a responsibility to be aware of and also to support and uphold the school safeguarding and health & safety policies.
