The primary purpose of our LSA role is to provide support for teaching and learning of students with special educational needs (SEN); support learners in the classroom so that they can access the curriculum, participate in learning and experience a sense of success and achievement; to work with colleagues to raise the learning and attainment of pupils while also promoting their independence, self-esteem and social inclusion; to offer intervention for individual or small groups of learners. The LSA role is an active post suited to candidates with drive, passion, empathy and resilience.

- has experience of working with students with SEN and associated challenging behaviour
