We are pleased to offer a wide variety of enrichment opportunities during this, our first curriculum enhancement week. We have worked hard to be able to offer activities across a broad range of costs so that all students can access something they will enjoy and benefit from. As has become the norm, we expect most students in Year 9 will opt to spend the time at Hautbois Hall with their peers.

Some activities last all three days, some last a day and may be repeated, so please take care when expressing interest so you are sure you know what you are signing up to. All costs quoted are approximate and final costings will be communicated home to families before students confirm their final choice.

At the bottom of each activity description page you will find a link to an expression of interest form where your child/ward can sign up for their preferences. Please note that they are required to sign up for at least first and second preferences in case an option isn't popular enough to run or cost increases make it unviable. We will of course try to give everyone their first choice where possible, but Year 9 students will be assigned choices before Year 8 students.

The deadline for expressions of interest is **4pm on Friday 6th November 2026**.

NB: Pictures are decorative only and not meant to reflect exactly the activities offered and the school reserves the right to withdraw any activity offered if necessary.

Where can I get financial help?

While we have worked hard to ensure the options above include a range of costs, with lots of free activities as well, we recognise that some young people might wish to take part in activities that are financially out of reach without some form of financial support. While the school cannot provide discounts or support of this type, the following charities/trusts may be able to help:

1. The Foundation of Joanna Scott and Others
 - Website: foundationofjoannascott.org.uk
2. Anguish's Educational Foundation
 - Email: info@norwichct.org.uk
 - Telephone: 01603 621023
 - Website: [Grants for individuals](#)
3. The Kerrison Trust
 - Website: [Individual grant application](#)
 - Online form: Available through the website.
