27 April 2026

Dear Parent/Carer

Duke of Edinburgh Silver Award Expeditions
Practice/Assessment: 12-15 June 2026 (Peak District)
Assessment: 18-20 September 2026 (Suffolk)

As part of your child's Duke of Edinburgh Silver Award, they have expressed an interest in participating in the above expeditions.

For the Peak District expedition we will leave school at approximately midday on Friday 12 June and return by approximately 7pm on Monday 15 June. For the Suffolk expedition we will leave at 8am on Friday and return by approximately 6pm on Sunday. Due to the different year groups attending the expeditions, the practice and assessment expeditions will be charged separately. The cost for the Peak District weekend will be £56.00.

Students will be required to use lightweight gas canisters to cook their food on expedition. We are asking for a voluntary donation of £2 per student to help cover these costs, as gas canisters can be bought in bulk by the school at a cheaper price. If you choose not to pay this fee then the group will need to organise the purchase of their own gas canisters to use with the Trangias. Information about the types to buy will be shared as required.

If you wish your child to participate in the DofE silver Peak District expedition, please complete the form below and make the payment via WisePay no later than **Monday 18 May 2026**.

[DofE Silver Peak District expedition 2026 – Fill in form](#)

Please note that these costs are non-refundable except in the circumstance of an insurance claim for which we would need a doctor's letter confirming your child is unfit to travel.

If you have any questions then please get in touch directly: DofE@taverhamhigh.org

Yours faithfully

Ms H Reding
DofE Manager
