6 June 2024

Dear Parent/Carer

Sports Day – Friday 5 July 2024

Sports day is fast approaching and is due to be held on Friday 5 July 2024 (weather permitting) and it is important that your child/ward is prepared for the day. It is crucial that they have plenty of water with them. There will be access to water fountains so please ensure that they have a bottle with them. Drinks will also be available at break and lunch. Sun cream is required as we expect the weather to be hot at this time of year; sunglasses and hats are also advisable. If your child/ward has medical needs, please ensure they bring to school any inhalers or medication that they may require.

Sports Day will run similarly to last year. We will use the Main Hall as a shaded space so that students can have breaks from the sun if needed. This is advisable if your child/ward burns in the sun easily or suffers with heat stroke. If they become unwell, they must visit First Aid which will be located centrally on the field. The first aiders are aware who the vulnerable students are and will check in with them throughout the day.

We are hoping for good weather and for the day to be a positive experience for all students, in whatever capacity they take part. We are offering traditional athletic events but also alternative sports such as football, tennis, table tennis and badminton, so please encourage your child/ward to take part in some way that makes them feel comfortable.

Please do not hesitate to contact me if you have any questions: s_church@taverhamhigh.org

Yours faithfully

Mrs S Church
