

12 November 2024

Dear Parent/Carer

### Parent Maths Workshop – Thursday 21 November 2024

I am writing to invite you to our second Parent Maths Workshop, which is taking place on **Thursday 21 November 2024**. The session looks at division methods and while it complements our successful workshop on multiplication, there is no need for you to have attended a previous workshop in order to attend this one.

The workshops are intended for those who are not confident with Maths or are feeling a little rusty. It is great if you attend with your child/ward, although you are welcome to attend without them. We will provide everything you need, including pens, paper, encouragement and reassurance!

The session will run from 4:15 pm to 5:15 pm, with arrivals for refreshments from 4:00 pm.

In order for us to comfortably accommodate those who wish to attend, we ask that you respond using the following link to let us know you are planning to join us: [Maths Workshop Response Form](#)

Should you have any further questions please do not hesitate to contact me by email: [h.crane@taverhamhigh.org](mailto:h.crane@taverhamhigh.org)

I look forward to seeing you on 21 November!

Yours faithfully

Mrs H Crane  
Head of Key Stage 3 Maths
