

12 September 2024

To: Year 11 – Parent/Carers

Dear Parent/Carer

**Year 11 Next Steps Evening – Tuesday 17 September 2024**

I hope this letter finds you well and that your child/ward is refreshed after a restful Summer break and ready to give their best efforts to their final year of GCSEs.

Over the next few months, your child/ward has lots of decisions to make about their next steps, as well as how best to approach this academic year. As always, families play an enormous part in ensuring their children's successes in education and, as so, we are holding a Year 11 Next Steps Evening on Tuesday 17 September 2024 from 5:30 pm.

At this event Ms Webb, our Assistant Headteacher, will provide information about what this year will look like for Year 11 students, as well as outlining the various options that students will have from September 2025. In addition to this, I will make a brief presentation on our successful and popular Sixth Form Centre and be available to discuss this further after the formal presentations.

Students are more than welcome to join this event, which will be held in the main hall, and we would recommend that all parent/carers who can attend, do so.

I look forward to seeing you next Tuesday.

Yours faithfully

Mrs L Robertson  
Head of Sixth Form
