Dear Parent/Carer

**Re: Year 11 – Fine Art Contributions**

I am very much looking forward to welcoming your child/ward back to their GCSE Fine Art course in September 2024. One of the course requirements is for students to develop a series of sketch books throughout their course, showing a development of ideas, experimentation and recording skills. The department offers a wide range of materials and media to use throughout the course which will enable your child/ward to explore a range of processes and techniques. These include drawing, painting, printmaking, photography and sculpture. All students will be provided with a second A3 sketch book for their Year 11 projects when needed.

In order to continue the exciting and dynamic work produced every year in the department, I would like to ask for a small voluntary contribution of £8 for the year. This can be paid through WisePay and will help pay for the sketch books and for the many materials used.

I would lastly like to thank you for your support. If you have any questions or queries, please do not hesitate to contact me.

Yours faithfully

Ms K Daniels
