Dear Parent/Carer

Summer Exams

I am writing regarding the upcoming exam season. Students have been given a hard copy of their personal exam timetable which shows the dates for all of their written exams in the summer season.

On the back of the timetable is information which they must read. A copy of this important information is also attached for you to peruse.

Should this information be misplaced, students will be able to check their timetables on their student portal and, likewise, the information will be available to parent/carers through MCAS, therefore no further paper copies will be distributed.

Following the information you received in October 2024, I would like to remind you of the contingency dates. These are scheduled for the afternoon of 11 June 2025 and all day on 25 June 2025. Students must be available on these dates, regardless of when their last exam is scheduled.

Please do not hesitate in contacting me if you have any further queries.

Yours faithfully

Mrs C Haywood
Exams Manager
