Dear Parent/Carer

Re: Leading Parent Partnership Award

You may already be aware that as a school we are working towards achieving the LPPA (Leading Parent Partnership Award). As part of this, we have been working with a group of staff and external stakeholders, including parents/carers and governors on ways we can improve and increase our partnership with parents/carers and the wider community.

One of the key things discussed during this time has been communication and how we can ensure that communication is efficient, purposeful, and consistent. Over the course of the last few months, we have put together 'Communication Guidance' which can now be found by clicking on the following link:

We hope that you will find the parent/carers sections of this guidance helpful; key sections to note would be **Section 1, 4, 5 and 6**.

As ever, we appreciate your support as we continue to work towards greater partnership throughout the school community.

Yours faithfully

Mrs T Gardiner
