Year 6 and Year 7 - Parent/Carers

Dear Parent/Carer

Parent/Carer Maths Workshop for Year 6 and Year 7 Parent/Carers – Wednesday 13 May 2026

I am writing to invite you to join me for a Maths lesson! For some of you, this is the final invite in a series of sessions I have been running over the past year. For those of you whom are parents/carers of children in Year 6, this is probably something new for you.

I am a teacher of Mathematics at Taverham High School, and I am very aware of the challenges that Maths presents, not only to some of our students, but very often parents/carers too. For the past two years I have been running Parent/Carer Maths Workshops to try and make a difference.

I offer sessions where parents/carers can sit with their child/ward, in a classroom, to learn some of the key mathematical concepts that are taught in Key Stage 3. Our final topic for this year is BIDMAS – the order of operations. The idea of these sessions is to invite those parents/carers for whom Maths feels rather scary, to come into the classroom and ‘have a go’. We are here to support you, and it is the best possible experience for your child/ward to be able to learn with you – perhaps even help you!

The benefits of the sessions include helping you and your child/ward to start conversations about Maths, develop your confidence, but also help you to establish a relationship with members of the Maths department, so that you know whom you are reaching out to if you need help or support at any point whilst your child/ward is at Taverham High School.

The session will run just before our Community Event on Wednesday 13 May 2026, starting at 3:30 pm and finishing at approximately 4:20 pm (Year 7 Parents/Carers, please note the change of date and time). This will allow time for you to join the event itself if you wish. The sessions are very relaxed and all equipment is provided. Simply join us to have a go at some Maths and experience today’s classroom alongside your child/Ward.

If you would like to attend, please could you respond by clicking on the link below by **Friday 8 May 2026** to ensure that we can accommodate you:

Please click: [Parent/Carer Maths Workshop - BIDMAS – Please Complete Form](#)

cont’d.../

There is a limit on the number of people that we can accommodate, so if the form has closed then unfortunately, we have filled all the places. If you find this to be the case, please do not hesitate to let me know at the community event that you would like to be involved in similar sessions.

I look forward to seeing you there.

Yours faithfully

A handwritten signature in black ink, consisting of a stylized 'H' and 'C' followed by a long horizontal flourish.

Mrs H Crane
Deputy Head of Maths, Responsible for Key Stage 3
