Dear Parent/Carer

**Re: Year 11 – Pre Exam Booster Sessions**

In order to support students, we will be hosting pre-exam booster sessions for some of our larger morning exams. In short, these are an opportunity for subject leaders and teachers to remind students of key points for the forthcoming paper and clarify any misunderstandings just before students go into the exam.

Students can come in to school early and listen to twenty to thirty minutes of last-minute reminders, then have some time to prepare themselves for the exam.

**Revision Booster Sessions Available:**
