Dear Parent/Carer

Re: GCSE Mathematics Revision Guide

I am writing to inform you that the Maths department is now able to sell revision guides suitable for the GCSE course that your child/ward is currently studying. We recognise the importance of Key Stage 4 and in order to support them with their studies, we would highly recommend owning a revision guide.

We will be selling the **CGP Mathematics AQA Revision Guide for the Grade 9-1 Course** at a discounted price offering a foundation tier or a higher tier revision guide.

If you would like to purchase a revision guide, please make the online WisePay payment of £3.40 and once payment is received your child/ward will receive the most suitable revision guide shortly thereafter during their Maths lesson. The deadline to make payments by is **Wednesday 15 October 2025**. Please do not feel any pressure in purchasing one at the moment as it is completely optional.

We also recommend that your child/ward owns a suitable scientific calculator to ensure that they are able to access all parts of the GCSE content. We recommend the **Casio fx-83GT CW** model, which is widely available to purchase from various retailers.

If you have any questions, please do not hesitate in contacting me on: b_robinson@taverhamhigh.org

Yours faithfully

Mr B Robinson
Head of KS4 Mathematics
