

Get Set for a Bright Start in September!

1. My Capsule

On the first day of term bring a shoebox or equivalent with your name clearly written on it. Inside, place a few things that tell us about you. This will be used as an induction activity in tutor time to help you learn about each other and help your tutor learn about you. Your tutor will award positives for good capsules. It is a good idea to decorate the box, but please don't put anything in it that would upset you if it got damaged in any way when others handle it.

2. Library Challenge

Over the summer holidays, complete the 'Welcome to the Library' booklet you were given on Transition Day. This as a series of short challenges linked to the Library and literacy. For each one you complete you will get a raffle ticket. The more completed tasks, the more tickets you will get so a greater chance of winning some goodies!! Booklets are to be handed in to the library when you come to school in September.

3. Art Challenge

A chance to get creative! On transition day you were given a sheet for the Art Challenge. You need to draw either 8 or 15 small pictures using any variety of materials. These will be handed in when you have your Art lessons and will be judged by the Art department and the Head Teacher. The best 3 will win a small prize and certificate.
