Message from Head of Sixth Form

“At a busy time of year with numerous events and work experience and external examinations beginning, I am very proud of all the efforts students are putting into their studies and destinations. In Year 12 we have crammed in mock exams, work experience, a colour fun run and started UCAS 2025 entries. In Year 13 the NEA coursework deadlines have completed, art and photography exams taken place as well as phased study leave beginning as external exams started on 14 May. Students have been working hard throughout and we look forward to seeing the rewards of our Year 13s in the summer, along with celebrating completion of their studies at the prom. Next half term the focus moves on to the Year 12s and their post 18 destinations, as well as welcoming Year 11s at our Induction Days. The whole team at Sixth Form wishes all Year 11s and Year 13s the best of luck in their exams”.

Mr Linnell – Head of Sixth Form

Ragfest!

2024 Taverham Sixth Form

St Martins
more than a home
for the homeless

A BIG THANK YOU

We are so thrilled that after the huge efforts in the Spring RAG week combined with our Colour Run has raised an incredible **£4078** on behalf of the Norwich-based St Martins homeless charity. This was held at Langley School and over 150 Taverham and Langley students and staff took part in the Junior and Main races on Thursday 16 May.

GOOD LUCK – to all Year 11s in their GCSE exams and we are looking forward to meeting Sixth Form offer holders at our Induction Days after the exams on **Thursday 27 June and Friday 28 June 2024**. See you then for the next step in your education.

May 2024

Congratulations

To Lili Tuli who has been accepted onto the Freshfields Law Insight Programme and the Reach Programme with the Social Mobility Foundation. A really prestigious achievement

in addition to receiving a place on UCL Expand, a course that requires two in-person sessions next year at UCL to expand her knowledge and skills beyond the school curriculum.

Well done on both!

University entry 2025 launch

UCAS 2025

On 21 May we launched with Year 12 UCAS 2025 applications so students considering applying to university can start looking into their options and preparing their applications. As part of the launch we will take all Year 12s to the UCAS Norwich Discovery Day where students will have the opportunity to meet with UK university providers, find out about alternative pathways such as apprenticeships and the armed forces, all under one roof. At UCAS Discovery, they can chat to universities and colleges about their courses and university life, speak to employers and apprenticeship providers about what an apprenticeship is like and the options available as well as listen to talks from experts in their fields. This takes place on Monday 10 June.

Experience

Congratulations to all the Year 12s on completing their work experience wc 13 May 2024 at places ranging from Aviva to Woodland Care Home. Great reports are coming in from employers on your contribution and good luck to those who have scheduled additional placements later in the year as far afield as the House of Commons. We hope you learnt a lot about the next stages in your journey to help secure your long term destinations.
