A colorful geometric shape constructed from sticks and blocks. It features a red triangle on the left, a blue triangle in the center, and a red triangle on the right. A green stick connects the top of the left triangle to the top of the right triangle. A yellow circle is positioned between the two central triangles, and an orange circle is on the right side. The entire structure is supported by a black base.

Post 16 Bursary Fund

Taverham Sixth Form
One vision. Our passion. Your future.

- Sixth form students can apply for financial assistance, dependent on household income, to support them in overcoming individual financial barriers to participation in education.

What a bursary is for:

A bursary is money that students can use to pay for things like:

- clothing, books and other equipment for your course
- school meals
- transport and lunch on days you study or train
- cost of attendance at university open days / interviews / field trips
- Please see the bursary policy on the school website for full details including eligibility criteria and an application form.
